

To whom it may concern.

I am Juan Manuel Tena, software developer. I am writing to you regarding our first interview.

The aim of this proposal is to the creation of a web page and a mobile application for the sale of pants.

Development phases:

1. Catalog of pants organized by brands.
2. Shopping cart with order summary
3. Payment methods
4. Home delivery

Expenses:

1. 750.00 euros - Web page
2. 1550.00 euros - application for android
3. 2250.00 euros - application for apple
4. 4000.00 euros - web page + 2 mobile applications

I am looking forward to hearing for you.

Greetings.
